Subject: Wilmington Harbor Inner Ocean Bar, NC Project

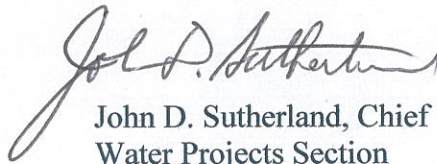

Dear Mr. Peck:

The Wilmington District, U.S. Army Corps of Engineers has closed out the subject project and the total amount of unused funds was \$843,252.93 (\$643,252.93 refunded to the Division and \$200,000 transferred to another Corps project). As you will recall, the Village of Bald Head Island and the State agreed to split the cost of the federal shortfall associated with this project 50/50. The State and the Village both contributed \$1,295,500.

Now that the project has been successfully completed, we are returning 50% of the unused funds to the Village. A check is enclosed in the amount of \$421,626.46.

Thank you for your participation in this project. Questions, call me at 919-715-5446.

Sincerely,

John D. Sutherland, Chief  
Water Projects Section
