Subject: Weekly Update...

All,

I know it's a short week but just wanted to send a short e-mail to highlight some of the items of importance that have happened over the last two days...

1. Received the Easement Agreement signed by BHI Club
2. Deer Permit on hold, Calvin awaiting to hear back from Wildlife Commission Director to discuss options first of next week
3. Groins #2, #3, #5, #12 and #13 have been repaired due to tubes deflating at seaward ends and/or outer layer cut/torn

Have a great Christmas & New Year, see you in '09...
