Re: Weekly Status for 15 - 19 OCT 2007

- **Update on Middle Island Sewer Project** – The installation crew has had a very productive couple of weeks. Today they are dressing up areas and loading pipe to be shipped back to vender. They are now very close to $\frac{3}{4}$ complete with the project. Ken was told **today** that they would complete the entire project by Nov. 16th (20 days).
- **On-going Extreme Drought Designation** – Staff met with Limited and has taken comments from contractors regarding the current Village water restriction and put together a draft Water Shortage Response Plan. The plan will presented at next week's Council meeting.
- **Timber Creek Mulch Site Proposal** – Staff attended the BH Association Board of Directors meeting this afternoon to answer questions regarding the Village's proposal. Staff will be providing the Board with some additional information. The Board will make a decision hopefully at their next meeting.
- **Tax Bills** – Tax bills are scheduled to be mailed out on 26 OCT 07.
- **League of Municipalities** – Calvin attended many classes, one on water & sewer pricing and made new contacts and renewed old contacts. Also attended governors press conference on water restrictions.
- **BBC Meeting** – Discussion of proposed Inlet Hazard Areas and proposed rules were discussed.

Important Dates:

1. Council Worksession & Meeting scheduled for 26 OCT 2007.
