MEMORANDUM

Date: April 4, 2008

To: Mayor and Council

From: Chris McCall, Assistant Village Manager/Development Services Director

Cc: Calvin Peck, Village Manager
Department Heads

Re: Weekly Status for 31 MAR – 4 APR 2008

- **NCBIWA** – Calvin and Dr. Douglas attended the NCBIWA Conference the later part of the week.
- **CAMA LPO Annual Training** – CAMA LPO's attended the annual training session by the Division of Coastal Management in Morehead City on Wednesday and Thursday. Training focused on site evaluations of coastal wetlands and flagging Normal High Water (NHW) and limits of coastal wetlands.
- **Middle Island Sewer Assessment** – Staff has worked with property owners Young and Capel on questionable properties being exempt for conservation. Staff will have final numbers and recommendation at the worksession for discussion.
- **DCM Inlet Hazard Area** – Village Attorney Baldwin attended the CRC meeting in Kill Devil Hills on the 27th & 28th. He was pleased to report that DCM staff and the CRC recognize the unique status of BHI and DCM staff is in the process of redrawing the IHA boundary which should be delivered for initial comment by the Village sometime next week.
- **Laughing Gull Stormwater Project** – The project is complete, pipe is in the ground and areas disturbed are back to normal.
- **R/O Concentrate Line Route** – Ken met with Mckim & Creed this week to review the preliminary plans for routing of the R/O line. Both Woody and Robert were included some of the review.
