Re: Weekly Status for 4 – 8 May 2009

2009/2010 DRAFT Budget Presentation – Village Manager presented the upcoming fiscal year budget to Village Council and others in attendance at the PD Conference Room Thursday at 9:30 a.m. Staff received comments and questions from Council and will working on compiling answers to those questions.

Wellness Program – Staff participated in the final assessment this week. A majority of the staff increased their physical fitness level in a number of events to include a one-mile run. However no one has yet to beat Chris's time of 6:05. The efforts of staff are beginning to pay off with their participation in the Wellness Program.

Welcome Home to Col. James Markley – Calvin & Audrey welcomed Col. Markley at 7:00 p.m. Tuesday at Newport News Virginia upon his return from Iraq. The Col. & Calvin were Captains serving in the same Battalion during Calvin's tenure.

2010 Hazard Mitigation Plan Update – In order to receive public assistance funds through the State & FEMA, the Village must update its Hazard Mitigation Plan every five years. Now is the time for the update for 2010 and Village Staff will be holding a preliminary scoping meeting to discuss the update process with the consultants within the next couple of weeks.

CAMA Minor Permit for Proposed E-911 Access – Staff has completed the permit application for the proposed EMS vehicular access to south beach and continues to work with adjacent property owners in determining best route with least impacts to surrounding properties.
