

IMPORTANT TAX NOTICE REGARDING YOUR RECENT TAX BILL

Brunswick County has mailed out tax notices and if you haven't already received them, you should shortly. If you have not received a tax bill by September 2, 2008, then please call Brunswick County at (910) 253-2829.

The Village of Bald Head Island will not be mailing tax bills for 2008. The municipal tax is included in the bill you receive from the County.

The County and Municipality entered into a partnership agreement for the billing and collection of taxes beginning tax year 2008. This action will improve overall customer service by mailing out one bill from one location, paying county and municipality tax bills simultaneously to one location, and by providing access to pay tax bills online. The web address to pay your taxes online is www.brunsko.net.

If you have any questions, please do not hesitate to contact me at (910) 457-9700 or dreno@villagebhi.org
