Congressman Mike McIntyre
United States House of Representatives
2437 Rayburn House Office Bldg.
Washington, DC 20515-3307

Dear Congressman Mike McIntyre,

The citizens of Bald Head Island want to express their sincere appreciation for your stance concerning the proposed North Carolina International Terminal in Southport. As you have heard we feel that the project is ill conceived and the proponents are ignoring many short and long term issues that will negatively impact not only our region but the State and beyond.

It is our hope that all parties involved will now concentrate on the problems that have been caused by the deepening and realignment of the existing Wilmington Harbor Channel.

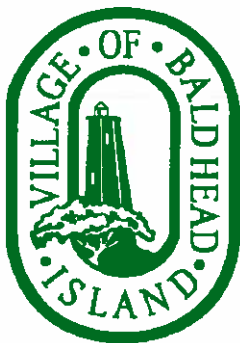

Again, thank you very much for your leadership.

Sincerely,
